Date

The northern boundary follows Boon Road until it reaches S. 25 Rd (this junction is the northwest corner of the boundary). The west boundary extends south until it reaches E. 40 Rd where it continues west until the junction of E. 40 Rd. and S. 21 Rd. At this point the boundary continues south until it hits M55. The stretch of the boundary on S. 21 Rd. is the most western part of the boundary. The southern boundary continues east along M55 until it reaches US 131. The eastern boundary follows US 131 North until it reaches M55 and then continues east on M55 to Seeley Road. The boundary continues north on Seeley Road until it reaches Boon Road, the northern boundary.

The boundary encompasses the city of Cadillac and includes all elementary schools (3), middle school, and two high schools in the Cadillac Area Public Schools System. In addition the boundary includes the two private, parochial schools in Cadillac. The distance from the westernmost boundary (S. 21 Rd) to the easternmost boundary (Seeley Road) is 19.2 miles (traveling along the southern and eastern boundary) and the intersection of M55 and US 131 North (southernmost point of the boundary) is approximately 7.5 miles (via M115).
